GOLD MEDAL CARD - Instructions

Thank you for choosing our Gold Medal Card!

*** AUTOMATIC BAYS:** To use the card(s) in our Automatic Bays, insert the card into the card slot at the auto teller. Select your level of wash desired. Wait for the teller to instruct you to remove your card. Please don't forget your card. Proceed forward into the wash bay.

*** SELF SERVE BAYS & DOG WASH:** To use your card(s) in our Self Serve Bays and Dog Wash, insert the card into the key slot on the meter box and leave the card in the box while washing your vehicle or dog. After the initial \$1.50 charge, your card is charged in \$.10 increments. When you have finished washing remove the card from the meter box.

***COMBO VACS:** To use the card(s) in our Combo Vacs, insert the card once for each dollar you want to use in the vacuum/shampooer. Only the vacuums with the white tops accept the Gold Medal Card.

You will receive a detailed statement around the 5th of each month. All Gold Medal Card holders will receive a discount. The rate of discount is directly related to how often you wash your vehicle(s); the more you wash the more you save.

If you should lose your card, please inform us as soon as possible so that we may deactivate it. Your initial card is free; however, each replacement card is \$5 thereafter.
